

Course Fact Sheet

Advanced Medical Life Support Provider

Coordinator:	Office Location and Hours:
Dennis Edgerly dennis.edgerly@HealthONEcares.com 303-788-6384	333 W Hampden Ave, Suite #200 Englewood, CO 80110 7:30 AM – 5:00 PM M-F

Course Description:

This 16-hour course is an advanced level continuing education course sponsored by the National Association of Emergency Medical Technicians (NAEMT) and endorsed by the National Association of EMS Physicians (NAEMSP). Participants apply critical thinking skills to integrate pathophysiology and assessment findings to determine treatment intervention. Provider recognition is approved for 3 years.

Objectives:

- Apply critical thinking skills to integrate pathophysiology with assessment and history findings to determine actual and potential patient problems
- Describe the physiology and pathophysiology of the following: hypoperfusion, dyspnea, chest pain, altered mental status, seizure disorders, and abdominal pain
- Perform an appropriate examination and history.
- Understand the need for an in depth assessment of the medical patient
- Establish a management method for the pre-hospital care of the critically sick medical patient

CEUs: 16 hours

Required information:

- Students must be currently certified as an EMT-Basic, EMT-Intermediate, EMT-Paramedic, Nurse, Physician assistant, or MD.
- The pretest must be successfully completed.

Evaluation:
